

The Village of Warwick will be conducting smoke testing of the sanitary sewer in the following locations; Pond Hill Ave., Fairview Ave., Fairview Dr., Grand Str. , Woodside Dr., Crescent Ave., Valley View Circle, Locust Str., Elizabeth Str., Maple Ave., during the week of May 27. Activities will be conducted from 7AM to approximately 3:30 PM daily. The sewer line in the street in front of your house will be filled with **non-toxic** smoke and the smoke will move into the laterals that connect to your house.

The smoke you will see coming from the vent stacks on houses or holes in the ground is NON-TOXIC, NON-STAINING, HAS SLIGHT ODOR, WHITE TO GRAY IN COLOR AND CREATES NO FIRE HAZARD. The Smoke should not enter your home unless you have defective plumbing or dried up drain traps.

A letter explaining this activity will be placed on every door prior to the work occurring. If you have any questions regarding this activity please contact the Village Hall at 845-986-2031.

IMPORTANT! If there is any individual in your home or business who has respiratory problems and is immobile, please notify us at 845-986-2031 prior to testing.
