

## **PRESS RELEASE**

### **A Safe Place, Warwick, NY**

The Village Board recently voted to change the overall Village speed limit to 25 mph. The new speed limit includes all Village Street, but excludes the following streets: Colonial Avenue, Galloway Road, Oakland Avenue, Maple Avenue and Main Street which will remain at the posted speed limit. Please remember there are lower speed limits in school zones.

This is an effort to create a more pedestrian friendly and safer environment throughout the Village.

Please drive carefully, watch out for children, walkers, and bicyclists. Observe the pedestrian crosswalks. When it comes to safety, everything can wait.
