Welcome to warwick

Welcome to the beautiful Warwick Valley, a destination renowned for its Victorian charm, sense of community, sophisticated culture, and distinctly rural character. Just fifty-five miles from New York City, the Town of Warwick includes three unique villages (Florida, Greenwood Lake, and Warwick) and five hamlets (Amity, Bellvale, Edenville, New Milford, and Pine Island).

©Roger Gavan 2012

Pine Island and Florida's fertile black dirt produce 25 percent of the nation's onion crop as well as organic vegetables, sod, and flower crops. This rich farmland, formed 12,000 years ago by a glacial lake, was cleared by hand in the 1880's by Polish and German immigrants and is farmed today by many of their descendants. Agriculture continues its economic importance, as innovative farmers seek alternative uses and markets for their crops.

Warwick's natural beauty extends beyond its farmland to mountains, streams, and lakes. Greenwood Lake is large enough to accommodate water sports. It has long been a popular summer resort of such famous entertainment and sports figures as Babe Ruth. The ten-mile-long lake straddles the New York/New Jersey border.

Warwick has achieved the well-earned status of a "Quality Community" through the office of New York's Governor Pataki. Discover the agricultural richness of Warwick and see firsthand why we have been named a "Communities in Bloom International Challenge 2010" winner.

Arts & culture

Warwick is host to several artistic and cultural pursuits. Here you will delight in the presence of many talented artists, musicians, craftspeople, and theatre groups. Visit a fine arts gallery. Groove to the sounds of the award-winning *Warwick Jazz Festival*. Wineries and cafés offer live stage performances with music and entertainment on the weekends.

Exciting events, fairs and festivals are held in the Warwick Valley throughout the year. Step into spring and meet new people at *The Warwick Valley Community EXPO*. Find a bounty of fresh local produce in full bloom from May thru November at *The Warwick Valley Farmers' Market* - named one of the best in the county. Enjoy a wave of activities in the summertime including *The Countryside Garden Tour*, while visiting Warwick Historical Society museum homes to celebrate history.

Experience unique local flavors in September at *A Taste of Warwick*, where fabulous chefs of the Warwick Valley, food, wine and community come together. Find the Warwick Valley bursting with color in the fall and enjoy pick-your-own apples, pears and pumpkins at many of our orchards. Be sure to visit us in October at the peak of the apple harvest for *The 24th Annual Applefest*, a nationally acclaimed event that continues to be recognized as one of the "Top 100 Events" in the United States.

The Warwick Jazz Festival was voted "Best New Music Event" for 2011 by Hudson Valley Magazine.
